LEICESTERSHIRE PERFORMANCE CENTRE

What is a Performance Centre?

A Performance Centre (PC) is a national structure that enables children and young people (up to the age of 19) to access training at the appropriate level and gives them the opportunity to progress, offering them both a performance and club pathway.

Leicestershire's PC has been running for a year and is going from strength to strength, with 2 of the 3 squads now full.

The PC runs 3 different squads:

- ☆ Emerging Squad - Top 10 county players (Badminton England Gold standard players)
- ☆ Developing Squad - 20 players (Badminton England Silver standard players)
- ☆ Futures Squad - 30 players (BE Bronze Standard) or players new to competition in local and national tournaments.

As well as these 3 squads we are in the process of setting up Raw Squads (Talent Cells) in and around Leicestershire. These cells are for players with some badminton knowledge and experience who wish to train regularly, improve and get top quality coaching.

PC coaching sessions are held at Loughborough University and Babington. All sessions are ability based, and follow criteria set out by Badminton England.

The Head Coach is Steve Higgins, National U17 yrs coach.

The PC and the County Association are working together to raise the standards of young badminton players in Leicestershire.

If you know of any players who would be interested in attending the PC please contact Vanessa Stanton (Performance Centre Liaison Officer) for further details.
